Important Paragraphs

أهم الفقرات الانشائية التي وردت بالمنهج

- Write a paragraph about [20 words] 3 – 4 sentences using guiding elements

Unit 1

At the track

We're at the track. There is an exciting sports event. There is a running competition. I'm watching the long jump. My sister will win the race.

A race

Ten athletes will compete in the race. I think the athlete wearing yellow will win. He'll get a medal. I think the race will be hard today.

World records

Mohamed Salah is a famous Egyptian footballer. He scored the most goals of any African footballer in the UEFA Champions League.

Unit 2

Our heart

Our heart moves blood around our body. Our brain controls everything that happens in our body. Our skeleton helps us move and makes us strong. Our lungs add oxygen to our blood.

Our Skeleton

Our skeleton is all the bones. It keeps us strong and help us move. We need muscles to move our bones.

How to be healthy

We should eat healthy food like fruit and vegetables. It's healthy to drink plenty of water and exercise. We should chew the food slowly. We should sleep for 8 hours.

Unit 3

Food and nutrients

There are lots of vitamins in fruit. Our bodies need nutrients to grow. Eating healthy food is important for us. Carbohydrates give us energy.

Water

All living things need water. Animals and humans drink water. It helps other organs in our body to work well. We should have enough water.

Healthy snacks

We shouldn't have too much sugar. Natural sugar in fruit is good for us. We shouldn't eat a lot of chocolate brownies. Dried fruit is a very good snack. Cereal bars are healthy.

Unit 4

Wildlife park

I love the wildlife park. The sloth moves very slowly. The cobra is a dangerous snake. The cheetah is the fastest animal. The sea lion lives in the water.

Habitats

There are different habitats because of the different climate. There's snow and ice in a polar habitat. Rainforests are warm in tropical parts of the world. A wetland can be wet all the time. The equator is the hottest part of the world.

Unit 5

Siwa Oasis

Siwa Oasis is very interesting place. It is in the desert. The desert is hot and dry. People can grow plants in Siwa Oasis. There's a spring in Siwa Oasis.

Plants at an oasis

There are date palm trees in Siwa Oasis. People grow olives to eat and to make oil. Acacia trees provide shelter for animals.

Types of water

There are two types of liquid water – fresh water and salt water. Rivers and lakes have fresh water. Seas and oceans have salt water.

Unit 6

What people do during floods

During floods, people put sandbags to keep water out of houses. The dam stops the flow of water in rivers. Water on streets can go down drains. Volunteers help in floods.

Water engineering

In the past, waterwheels used the energy of running water to move machines. People also built aqueducts to move water from wells or rivers into cities. Now, The High Dam is famous because it can control the water and stop flooding.
